
CONTENTS

<i>Preface</i>	(xv)
Introduction	1
CHAPTER 1	
Marketing Vision	
The Change Agent.....	5
The Enlightened Samurai	6
The New Normal World.....	7
Defining Moment	7
Globally Leveraged Locally Relevant.....	8
Every Day Great Execution (EDGE)	8
Diversity of Talent	8
Purpose-Driven and Values-Led Leadership	9
Managing the New Normal World.....	9
Perspectives.....	11
Marketing and its Eight Perspectives	11
Perceptions	15
Perception of Pharmaceutical Marketing	15
Adverts to Patients	17
Celebrity Endorsement.....	17
More than Molecules.....	18
Medicalization.....	18
Patient Groups.....	19
Doctors and their Diagnosis	19
What can One Do?	19
Pre-Requisites	19
Understanding the Industry Structure.....	19
Steps in Marketing through Marketing Models	21

Processes	26
The Basics of Strategy and Marketing	26
Basics of Strategy	26
Basics of Marketing	26
New Rules of Marketing	26
New Stakeholders.....	27
Global Challenges	28
Speaciality and Niche Markets.....	28
Philosophy and Practices.....	29
Learnings.....	34

CHAPTER 2**Dynamic Pathways**

Reflective Scanning	37
Two Additional Forces.....	43
Force of Patients.....	43
Force of Medical Representatives (MRs).....	45
Shifts and Patterns Shaping Forthcoming Events	46
The Changing Concept of Pharmaceutical Marketing	50
Role of Marketing Environment	51
Role of Marketing within the Organization	52
Strategic Thinking for Pharmaceutical Marketing	55
Components of Strategic Thinking.....	56
The Nature of Strategic Planning for Pharmaceutical Marketing.....	57
Effective Strategic Planning.....	57
Strategic Thinking versus Strategic Planning for Pharmaceutical Marketing.....	58
The Tasks of Pharma Marketing	58
Marketing Strategy	58
Marketing Plan	60
Elements of a Marketing Plan	60
Six Types of Marketing.....	61

Role of R & D and D & D in Pharmaceutical Marketing	78
The Next Two Decades	80
Case	82
Co-Marketing–Cetirizine	82
Learnings	83

CHAPTER 3**Innovation and Marketing Strategy**

Innovation – The New Driving Force	86
Continuous Innovation – The Story of Monsanto	87
Commercially Viable Innovation	87
Commercial Failure of Innovation	88
The Process of Innovation	88
Strategies for Success through Innovation	89
Commitment	89
Timing and Cost Effectiveness	90
Evolution	91
Paradigm Shifts	91
Protecting and Exploiting Innovation	91
Innovatization (Innovation + Commercialization)	93
Strategic Innovation and Markets	94
Need for Innovation	95
Institutionalizing an Enduring and Innovative Marketing Strategy	97
Structural Adequacy	97
Operable Operational Systems	100
Sound Tactics	101
Forces Shaping Indian Pharmaceutical Industry	105
Learnings	107

CHAPTER 4**Strategic Concepts, Models and Options**

Genesis	109
Elements of Business-Marketing Strategy	110

Corporate Strategic Options	112
Strategic Marketing Options	119
Range of Product-Market Strategic Options	120
Future Options	125
Integrated Strategies, Concepts, and Models for Brands and Markets.....	127
Integration of Concepts and Models	128
Product Strategic Options.....	137
Expansion Strategy.....	137
Maintenance Strategy	138
Milking Strategy.....	138
Divesting Strategy	139
Case	140
Cifran–The Story of a Brand.....	140
Learnings.....	141
Successful Strategic Stance.....	141
Strategic Marketing Options and Methodologies.....	142

CHAPTER 5

Evolution and Change of Gear

Physicians, Patients and Therapies.....	144
Evolving Attitudes of Physicians	145
Emerging Role of the Surgeon	147
The Simmentonian Approach and New Technologies.....	148
Impact of Changing Beliefs of Patients.....	149
Impact of Changing Social Structure and Industrialization	150
Evolutionary Factors	151
Market Dynamics	152
Market Size	153
Developing a Database.....	155
Formation of Clusters.....	156
Prescribing Behavior	158

Classification of Physicians	160
Classification of Retailers	162
Importance and Impact of a Customer Base	163
The Impact	163
The Process	163
Case	164
Database Marketing of Cipla.....	164
Preparation	164
Implementation.....	165
New Product Launch.....	166
Reminders (Value-Added)	166
Reasons for Success	166
Learnings.....	167
Physician-Patient-Therapy Dynamics	167
Market Dynamics	167

CHAPTER 6**Strategic Plus**

The Process of Competition Analysis	169
Competitive Marketing Forces.....	170
Analysis of Competitor's Ability to Perform	175
Strategic Competitive Advantage.....	176
Sources of Competitive Advantage.....	176
Strategic Group and Strategic Market	177
Mergers	178
Developing Strategic Competitive Advantage	178
Case	179
Strategic Advantages of the World's Best	
Three Companies in the 1990s	179
Merck and Co.	179
Learnings.....	181

CHAPTER 7**Force of Segmentation**

Problems in Market Segmentation	183
Lack of Faith in a Focused Approach	183
Strategic Vision and Resourcefulness	184
Specificity and Practicability	184
Micro and Macro Disparity	185
Commitment of the Field Force	185
Apprehension Regarding Ability and Skills of the Field Force	186
Dilemma of Positioning and Segmentation	186
Methods of Segmentation.....	187
Target-Market Selection.....	197
Case	197
Nitravet.....	197
Learnings.....	198
Apprehensions.....	198
Dilemma.....	199
Methods of Segmentation.....	199

CHAPTER 8**Positioning Towards Identity**

Positioning.....	201
Differentiation.....	201
Relative Uniqueness.....	202
Role of Organizational Strategy and Resources.....	203
Analyze Competition along with your Strengths	203
Sustainable Positioning	203
Use Limited Features for Positioning.....	204
Corporate Positioning.....	205
Types of Product Positioning	206
Innovative Positioning Approaches	213
Measuring Product Positioning.....	215

Case	223
Using a Mnemonic for Positioning–The Story of Trika.....	223
The Mnemonic: Monarch Butterfly Resting on Fingertip...	224
Activities Undertaken to Establish the Butterfly as a Mnemonic	224
Learnings.....	225

CHAPTER 9

Communication and Promotion Impact

Communication in the Pharmaceutical Industry	228
The Task of Communication.....	229
A Model for Effective Communication.....	231
Evaluation of Present –Day Communication	233
Persuasion	234
Influencing the Physician	238
Medical Education School	238
Psycho-Behavioral School	239
The Enticing Web.....	240
Communication Media and the Product Life-Cycle.....	240
Advertising and Branding	252
Advertising in Medical Publications	256
Major Issues	258
Medical TV Programs	259
Special Programs.....	259
Ongoing Serials.....	260
Government Issues	260
Editorial Issues	261
Production Issues	261
Desk-Top and In-Clinic Media.....	262
Need for Flexibility	263
Measuring Results	264
Public Relations as a Marketing Tool	264
Promoting Strategically	265
Changing Behavior and Attitude.....	267
Providing Promotions a Direction.....	268

Clinico– Promotional Study	270
Ground Rules for a Successful Clinico-Promotional Study.....	271
PR as Part of Pharmaceutical Promotional Mix	274
Objectivizing and Measuring PR Effectiveness	275
Difference between PR and Advertising	275
Medical Practice of Tomorrow.....	276
Case	278
Multimedia Communication from Cipla	278
Learnings.....	279
Communication	279
Persuasion	279
Media Mix and Product Life-Cycle.....	279

CHAPTER 10

Execution Prerequisites

Advantages of Policies	282
Types of Policies	287
Strategic versus Operational.....	287
Stated versus Unstated	288
Covert versus Overt.....	288
Implicit versus Explicit	288
Basic Policies for Operationalizing Strategic Decisions	289
Tactics	298
The Importance of Tactics.....	298
Tools.....	299
Tactical Evaluation of a Situation	300
Ethical Dimension of Tactics	303
Institutionalizing the Strategies–Structural Issues	305
Systems	308
Case	309
Operation Greenstorm–The Story of a Successful New Product Launch.....	309

Case 2	312
Innovations in Distribution Policy	312
Objective	313
Scope and Limitations	313
Assumptions	313
Parameters of Comparison	314
Learnings	315

CHAPTER 11**Core Sales Execution**

Implementation	318
Prerequisites to Implementation	318
Some Common Strategic Options for Implementation	323
Strategy of Numbers	323
Strategy of Speed	324
Strategy of Perfection	324
Strategy of Intellect	324
Surpassing Quality	325
Strategy of Surprise	325
Implementation through the Field Force	325
Allocation and Deployment of Field Force	325
Role of Medical Representative in Implementation	329
Role of the Management in Developing Field Force Morale	334
Case	338
Leadership Culture and Effective Implementation—Cadila’s Strength	338
Consistent Leadership	338
Learnings	339

CHAPTER 12**Marketing Finance**

The Importance of a Strategic Marketing Impact Review (SMIR)	342
Cost-Behavior Analysis for a Successful SMIR	343

Conceptual Framework of a SMIR	345
Stage 1: Planning for the SMIR	345
Stage 2: SBU Assessment	347
Stage 3: Assessing Strategic Marketing Performance and Options	349
ROMI (Return on Marketing Investment)	351
ROMI Challenges.....	351
Techniques and Tools for ROMI.....	352
Sales & Marketing Return on Investment (SAMROI).....	352
SAMROI and its Future	352
Return on Field Force Implementation	352
Return on CRM	353
Return of Promotion.....	353
Return of Field Force Efficiency.....	353
Marketing's Worth	354
Influence on Consumers.....	354
Well Informed Marketing Judgment.....	355
Managing Financial Risks	355
Coping with Added Complexity.....	355
Metrics to Track Options.....	356
Strategic Options	356
Drivers of the Sales to Total Assets Ratio.....	357
Drivers of Margin on Sales	358
Sales to Total Assets Ratio	360
Drivers of Sales to Accounts Receivables Ratio	361
Drivers of sales to Inventories Ratio	362
Brand Valuation	363
Learnings.....	365
 <i>Bibliography</i>	 367
<i>Webliography</i>	373
