What are IPRs?

How are IPRs practically useful for pharma students and researchers?

How can I file a patent?

Why should I commercialize my patent?

What are the important treaties and international agreements I should be aware of as a Pharma student?

What are the career options for me in the area of IPRs?

What are the important treaties and international agreements I should be aware of as a Pharma student?

What can I improve my qualifications in the area of IPRs?
