<i>Preface</i>	(v)
----------------------	-----

Chapter – 1

Diet, Nutrition and Public Health

Importance of Diet in Nutrition and Health	1
Calorific Values of Various Foods	3
Calorific Values of Different Food Stuffs	3
Nutritional Requirement of Healthy Subject.....	4
Macronutrients	5
Micronutrients	6
Recommended Dietary Allowances for Indian	9
Maternal Nutrition.....	9
Nutrition in Childhood and Adolescent.....	10
Nutrition in Aging	11
Deficiency Conditions and Health Problem.....	12
Essential Fatty Acid (EFA) Deficiency Disorders	13
Dietary Components in Prevention and/or Curing Diseases	17
Nutrition and Public Health: Education and Awareness	35

Chapter – 2

Dietary Supplements and Nutraceuticals

Dietary Supplements and Functional Foods.....	39
Classification of Nutraceuticals	42

Chapter – 3

Phytochemicals as Nutraceuticals

Carotenoids	64
Lycopene	66
Xanthophylls	67
Organosulfur Compounds	68
Diallyl Trisulfide (DATS).....	68
Polyphenolics	69
Quercetin	72

Apigenin.....	72
Kaempferol.....	73
Anthocyanidins.....	74
Catechins.....	74
Phytoestrogens.....	75
Non-flavonoid Phytoestrogens.....	76
Tocopherols.....	77

Chapter – 4

Free Radicals, Human Diseases and Antioxidants

Free Radical and Oxidative Stress.....	80
Deleterious Activities of Free Radicals and Oxidants.....	82
Oxidative Stress (OS) and Human Diseases.....	83
Oxidative Stress and Diabetes.....	86
Oxidative Stress and Neurodegenerative Disorders.....	87
Eye Diseases and Oxidative Stress.....	89
Oxydative Stress and Cardiac Diseases.....	90
Oxydative Stress and Kidney Diseases.....	91
Oxidative Stress in Lung and Respiratory Disorder.....	92

Chapter – 5

Quality, Safety and Regulatory Aspects

Processing of Nutraceuticals.....	96
The Food Safety and Standard Authority of India (FSSAI).....	105
The Fruit Product Order (FPO), 1955.....	107
Meat Food Products Order, 1973 (MFPO).....	109
AGMARK.....	111
Hazard Analysis Critical Control Point (HACCP).....	113
Pharmacopoeial Specification of Nutraceuticals and Dietary Supplememnts.....	117
Adulteration of Food.....	118
FDA.....	123
Good Manufacturing Practices (GMP).....	123
Food Safety Hazards.....	125
Post-Harvest Losses of Fruits, Vegetables and its Safety.....	127
