<i>Preface</i> .....	(vii)
----------------------	-------

## Chapter – 1

### Hospital Pharmacy

Definition .....	1
Scope, Origin and Development .....	1
National and International Scenario.....	2
Organisational Structure .....	2
Professionals: Qualification and Experience .....	4
Infrastructure.....	5
Work Load .....	6
Job Specifications .....	7
Interprofessional Relationship .....	10
Good Pharmacy Practice (GPP).....	11
Requirements of Good Pharmacy Practice .....	11
Hospital Pharmacy Standards .....	15
ASHP Guidelines: Minimum Standards for Pharmacies in Hospitals ....	16
Introduction to NQAS Guidelines .....	18
NABH Accreditation and Role of Pharmacists .....	20
Benefits of Accreditation.....	21
Role of Pharmacists in NABH Accreditation .....	21
Questions .....	22
Short Answer Questions .....	22
Long Answer Questions .....	22

## Chapter – 2

### Hospital Committees

Pharmacy and Therapeutic Committee.....	23
Introduction.....	23
Definition.....	23
Objectives .....	23
Composition.....	24

Primary Functions.....	25
Other Functions of PTC.....	30
Infection Control Committee.....	30
Role of Pharmacists in Preventing Antimicrobial Resistance .....	30
Questions .....	31
Short Answer Questions .....	31
Long Answer Questions .....	31

## **Chapter – 3**

### **Hospital Formulary**

Introduction.....	33
Objectives .....	33
Development of Hospital Formulary .....	33
Content.....	33
Guiding Principles to Include or Exclude a Drug while Developing a Hospital Formulary.....	35
Preparation of the Formulary.....	36
Format and Appearance.....	36
Advantages and Disadvantages of Hospital Formulary.....	37
Use of Hospital Formulary .....	38
Questions .....	38
Short Answer Questions .....	38
Long Answer Questions .....	38

## **Chapter – 4**

### **Supply Chain and Inventory Control**

Preparation of Drugs List.....	39
High-Risk Drugs List.....	39
Emergency Drugs .....	40
Other Items .....	41
Schedule H1 Drugs.....	41
Schedule H1 .....	41
NDPS Drugs .....	42

Reserved Antibiotics.....	42
Purchase and Inventory Control.....	43
Procedure for Drugs Purchase .....	43
E. Tenders .....	44
Definitions .....	44
Purchase or Procurement .....	44
Purchase Procedure.....	47
Control on Purchases .....	48
Inventory Turn Over .....	48
Inventory Control.....	49
Inventory Levels .....	49
Methods .....	49
Control of Inventory .....	50
Maintaining Cold Storage.....	51
ILR Point or Cold Chain Point .....	52
Walk-in Cold Rooms .....	53
FEFO and FIFO Methods of Storage.....	53
Expiry Drugs Removal, Handling and Disposal.....	53
Documentation.....	54
Questions .....	55
Short Answer Questions .....	55
Long Answers Questions.....	55

## **Chapter – 5**

### **Management of Central Drug Store and Storage of Drugs**

Introduction.....	56
Importance of Store Keeping or Warehousing .....	56
Types of Stores .....	56
Organization of Drug Store.....	57
Store Room Arrangement .....	59
Category Wise Storage of Inventory.....	59

Storage of Drugs .....	60
Management of a Drug Store.....	60
Markings on the Inventory.....	61
Storage Conditions.....	62
Questions .....	63
Short Answer Questions .....	63
Long Answer Questions .....	63

## **Chapter – 6**

### **Drugs Distribution**

Introduction.....	64
Distribution to Outpatients.....	64
Dispensing to Inpatients.....	65
Other Systems of Dispensing to Inpatients.....	68
Dispensing of Narcotics or Controlled Substances.....	70
General Conditions .....	71
Hospital Procedure for Dispensing Narcotics.....	71
Distribution of Drugs to ICCU/ICU/NICU/Emergency Wards.....	72
Automated Drug Dispensing Systems and Devices.....	74
Why Automated Drug Dispensing? .....	74
Questions .....	75
Short Answer Questions .....	75
Long Answer Questions .....	75

## **Chapter – 7**

### **Compounding in Hospitals**

Bulk Compounding.....	76
Total Parenteral Nutrition and Intravenous Admixture .....	77
Introduction.....	77
Total Parenteral Nutrition .....	78
Definition.....	78
Indications.....	78
Composition of TPN.....	78
Advantages of TPN and its Handling .....	80

Formulation Problems.....	81
I.V. [Intravenous] Admixtures.....	81
Introduction.....	81
Definition.....	82
Objectives of Preparation of IV Admixtures .....	82
Suitability of Pharmacists .....	82
Purpose and uses of IV Admixture Service by Pharmacists.....	82
Preparation Area .....	83
Mixing of Additional Drugs .....	83
Parenteral Incompatibility.....	84
Quality Control .....	84
Questions .....	85
Short Answer Questions .....	85
Long Answer Questions .....	85

## **Chapter – 8**

### **Radio Pharmaceuticals**

Purchase.....	86
Storage .....	86
Dispensing or Handling of Radiopharmaceuticals .....	86
Disposal .....	87
Responsibility of Pharmacists and others in using Radio Isotopes.....	89
Questions .....	89
Short Answer Questions .....	89
Long Answer Questions .....	90

## **Chapter – 9**

### **Application of Computers in Hospital Pharmacy Practice**

Area of use of computers .....	91
Electronic Health Records [EHR].....	94
Advantages of EHR .....	95
Software used in Hospital Pharmacy .....	95

Questions .....	96
Short Answer Questions .....	96
Long Answer Questions .....	96

## Chapter – 10

### Clinical Pharmacy

Definition .....	97
Scope of Clinical Pharmacy .....	97
Development of Clinical Pharmacy in India and Other Countries .....	97
Technical Definitions and Common Terminologies .....	99
Introduction .....	99
Significance of Medical Terminology .....	99
Medical Terms .....	100
Daily Activities of Clinical Pharmacists .....	105
Ward round participation .....	105
Treatment care review .....	108
ADR monitoring .....	113
Drug information and Poison information .....	116
Medication History .....	116
Patient counseling .....	122
Inter professional collaboration .....	126
Questions .....	130
Short Answer Questions .....	130
Long Answer Questions .....	130

## Chapter – 11

### Pharmaceutical Care

Introduction .....	132
Definition .....	132
Basic Concept of Pharmaceutical Care .....	133
Pharmaceutical Care, for whom? .....	133
Principles and Practice of Pharmaceutical Care .....	134
Steps Involved in the Practice of Pharmaceutical Care .....	134

Requirements for Successful Pharmaceutical Care .....	135
Evaluation of Pharmaceutical Care Services .....	136
Questions .....	136
Short Answer Questions .....	136
Long Answer Questions .....	136

## **Chapter – 12**

### **Medication Therapy Management and Home Medication Review**

Definition .....	137
Home Medication Review .....	138
Definition .....	138
Need for HMR .....	138
Aim of HMR .....	138
Method of HMR .....	139
Advantages of HMR .....	140
Questions .....	140
Short Answer Questions .....	140
Long Answer Questions .....	140

## **Chapter – 13**

### **Laboratory Tests**

Patient Laboratory Tests -- Significance .....	141
Lab Tests Interpretation .....	141
Fluid and Electrolytes Balance .....	142
Electrolytes .....	143
Osmolality of Plasma, ECF and ICF .....	144
Balancing Electrolytes .....	144
Estimation of Electrolytes .....	144
Uses of Study of Electrolyte Balance .....	145
Disturbance of Electrolyte Balance .....	145
Haematological Tests .....	146

Liver Function Tests .....	149
Enzymes.....	150
Alkaline Phosphatase.....	150
Transaminases.....	150
$\gamma$ Glutamyl Transpeptidase .....	151
Renal Function Tests .....	151
Creatinine Clearance.....	151
Serum Creatinine .....	151
Serum Urea or Blood Urea Nitrogen (BUN).....	152
Pulmonary Function Tests .....	152
Pulmonary Functions or Parameters.....	152
Pulmonary Function Tests Including Spirometry .....	153
Interpretation of Pulmonary Function Tests .....	153
Thyroid Function Tests.....	154
Introduction.....	154
Tests for Thyroid Function .....	154
Tests Associated with Cardiac Disorders .....	156
Questions .....	160
Short Answer Questions .....	160
Long Answer Questions .....	160

## **Chapter – 14**

### **Drug Information Center**

Introduction.....	161
Need for Drug Information Centers.....	161
Sources of Information .....	162
Computerised Services .....	163
Advantages and Disadvantages.....	165
Retrieval of Information .....	165
Systematic Approach in Answering.....	165
Drug Information Queries.....	166
Summary of Services of Drug Information Center.....	166

Questions .....	166
Short Answer Questions .....	166
Long Answer Questions .....	166

## **Chapter – 15**

### **Poison Information Centre**

Introduction.....	167
Clinical Manifestations.....	167
Types of Poisons.....	167
Antidotes.....	168
Physical Antidotes .....	169
Chemical Antidotes.....	169
Physiological Antidotes.....	169
Universal Antidotes .....	169
Poison Information Centre [PIC].....	170
Importance of PIC.....	170
Sources of Poison.....	170
Information about Poisons .....	171
Storage of Information.....	172
Service by PIC -- Providing Information.....	172
General Treatment of Poison Cases.....	173
Questions .....	175
Short Answer Questions .....	175
Long Answer Questions .....	175

## **Chapter – 16**

### **Pharmacovigilance**

Definition.....	176
Need for Pharmacovigilance.....	176
Aims of Pharmacovigilance.....	177
Scope of Pharmacovigilance.....	177
Advantages of Pharmacovigilance.....	178
Pharmacovigilance Practice.....	179

Conclusion .....	181
Questions .....	181
Short Answer Questions .....	181
Long Answer Questions .....	181

## **Chapter – 17**

### **Medication Errors**

Introduction.....	182
Reasons for Medication Error.....	184
Minimising Medication Error .....	185
Lasa Drugs and Tall Man Lettering.....	186
Tall Man Lettering.....	187
Questions .....	188
Short Answer Questions .....	188
Long Answer Questions .....	188

## **Chapter – 18**

### **Drug Interactions**

Introduction.....	189
Reasons for Drug Interactions .....	189
Problems in Detecting Drug Interactions.....	190
Uses of Drug Interaction Reports .....	190
Types of Drug Interactions .....	191
Drug Interaction Examples .....	193
Questions .....	195
Short Answer Questions .....	195
Long Answer Questions .....	195

<b>Reference Books and Websites .....</b>	<b>197</b>
