

Contents

Preface (vii)
Acknowledgements (xi)
Abbreviations used in the Book.....(xv)
Formulae used in the Book (xix)

CHAPTER 1
Introduction 1

CHAPTER 2
Nomenclature and Biodiversity of ERI Silkworm..... 25

CHAPTER 3
Host Plants of ERI Silkworm and their Exploitation for Enhanced Silk Production 56

CHAPTER 4
Artificial Diet for Rearing Eri Silkworm and Other Related Silkworms..... 134

CHAPTER 5
Life Cycle and Rearing Technology of Eri Silkworm 167

CHAPTER 6
Rearing of Eri Silkworm on Castor 230

| | |
|-------------------|--|
| CHAPTER 7 | |
| | Rearing Performance of Eri Silkworm on Other Host Plants..... 289 |
| CHAPTER 8 | |
| | Biology and Rearing Performance of Other Silk Worms 336 |
| CHAPTER 9 | |
| | Exploitation of Genetic Diversity in Eri Silkworm for Rearing Performance and Amenability 361 |
| CHAPTER 10 | |
| | Role of Environmental Factors on Biology of Eri Silkworm..... 413 |
| CHAPTER 11 | |
| | Participation, Empowerment and Constraints of Rural Women in Ericulture/Sericulture 509 |
| CHAPTER 12 | |
| | Value Addition and by Products of Eri Silkworm 548 |
| CHAPTER 13 | |
| | Role of Extension Strategies in Eri Culture..... 576 |
